**CALGARY, AB - April 22, 2024** --- Rediscover the joy of community connection and cultural celebration at The Market at cSPACE Marda Loop. With a launch just around the corner, The Market promises to be a vibrant hub for placemaking and community building.

### **#shoplocal**

Located in the inner city neighbourhood of Marda Loop, The Market at cSPACE is set to revitalize Art Park Saturdays. Through a curated selection of local artisans, fresh produce vendors, and engaging activities, the market aims to foster a sense of belonging and creativity among residents and visitors alike.

*"We recognize the importance of creating spaces where people can come together, share experiences, and celebrate local creative and business talent," says Erin MacLean-Berko, Events + Engagement Manager at cSPACE Projects. "The Market at cSPACE Marda Loop embodies our commitment to placemaking and community vibrancy."*

### **#livemusic #kidsprogramming**

From handmade crafts to farm-fresh produce, the market offers something for everyone. Families can enjoy free kids' activities led by professional artist-teachers from Jube School, while live performances by artists in Calgary's exciting local music scene add to the atmosphere.

*"We believe in the power of community to enrich the cultural fabric of our city," adds Market Coordinator Kate Ware. "The Market at cSPACE is not just a marketplace; it's a catalyst for connection, creativity, and collective joy."*
