Hallway Galleries on Four Floors

The Hallway Galleries provide high-traffic exhibition opportunities over four floors where artists and presenting organizations can show, sell, and promote their work to both the public and to the diverse creative community that calls cSPACE Marda Loop home on a daily basis. Professional hanging systems, highly adaptable lighting, and fibre connectivity allow for unique exhibition opportunities for multi-disciplinary work.

Features

- 13' high ceilings with historic character features including original moldings & trim
- Professional gallery lighting and hanging systems
- Dimmable LED lighting 'cloud'
- Integrated audio/video support on Levels 1 and 2
- Mobile speaker system available and built-in PA system on L1 and L2
- Reception space
- Public WiFi
- Fully accessible features

Includes

- Access to our hanging system, and use of the walls of our full hallway space.
- Promotion on our event calendar, newsletters, and social sites (with artist-supplied graphics and event description).
- One reception event during your show. cSPACE will provide access to space and two catering tables with linens. Artist is responsible for all other appointments. If you choose to serve alcohol you will be required to obtain an AGLC license, and purchase event insurance.
- Access to general building traffic through our space for theatre events, tenant events, and our coffee shop. We are located in the desirable neighbourhood of Marda Loop.

2024-25 Rates (per floor)

	<u>Weekly</u>	<u>Two Weeks</u>	<u>Monthly</u>
Artist	\$300	\$550	\$800
Corporate	\$600	\$1000	\$1600

cspace GALLERY

Gallery Call

Are you an emerging or established artist with a body of work, looking for a place to exhibit? Could you install your exhibition on short notice?

If your exhibition dates are flexible, you may qualify for discounted rates.

Preferred Rate for Gallery Call Shows

- \$500 per month long run.
- Pricing is per gallery level. Multiple levels may be rented in conjunction.
- Artists looking to book out specific dates or hallway levels will be subject to regular gallery charges.
- Over summer (July-August), shows may be 1-2 months long, for the same pricing.
- cSPACE does not take commission on art sales.

FAQ

How do I install my art?

- Artists are responsible for their own show installation. cSPACE provides an adjustable cable hanging equipment system that works best with D-rings/wires or sawtooth hangers on the back of each piece. Ladders are also provided. An event staff person will be on hand to demonstrate the equipment and answer questions.
- There are limits to the hanging equipment we have onsite. Please refer to the Art Hanging Kit Contents on the next page for planning.
- Multiple pieces may be hung on each wire, but be mindful of the total weight added.
- Please do not hang work over hallway/tenant signage. On Levels 2/3/4 work looks best when hung above the wooden chair rail.
- Please do not use tape of any kind on the walls as it pulls off the paint. Sticky tack is acceptable.

When do I install and take-down?

- Shows are hung on the first Monday *afternoon* of your booking, and taken down the last Monday *morning* of your booking, before noon.
- Note that the building is closed to the public on Sundays (and public holidays), which means the last defacto date for *advertising* of your exhibition is the last Saturday before the end of your booking.

Can I sell my art?

- Yes! Artists can sell their work. cSPACE does not take commission. It is up to the show organizer to provide direct contact information to viewers for sales.
- If work is sold, we ask that you please leave it on the walls until the scheduled takedown time (many artists add a red dot to the info card next to an artwork when it is sold).

How much weight can I hang on the walls?

- **Historic Picture Rail** - Each installation on the historic picture rail must assess the condition on a case-by-case basis. Please inform cSPACE staff if there are any concerns noted during hanging.
- **Contemporary Track:** Each 6' section not to exceed 300 lbs.
- **Picture Molding Hanger:** 33 lbs (15 Kg).
- **Steel Cables:** minimum of 45 lbs (20 Kg) per cable.
- **Secure Gripper Hooks:** 40 lbs (18 Kg)
- Please note that any combination of elements is only as strong as the weakest member of the system.

Art Hanging Kits Per Floor

Exhibitors at cSPACE Marda Loop will be assigned an art hanging kit for use in their assigned gallery. Each kit contains a fixed number of wires and gripper hooks. Artists are responsible for returning ALL pieces in their kit, in good order. **Any missing or damaged pieces, or kinked wires, will be charged to your account and collected accordingly.**

Level 1 Kit Contents

- 50 x J - wires (blue), 8' length
- 50 x plastic gripper hooks

Level 2 Kit Contents

- 21 x metal picture molding hangers
- 7 x Q - wires (gold), 5'9" length
- 14 x Q - wires (red), 8' length
- 2 x J - wires (blue), 8' length
- 2 x J - wires (plum), 10' length
- 25 x plastic gripper hooks

Level 2 Cubby Gallery Kit Contents

- 12 x J - wires (blue), 8' length
- 2 x J - wires (plum), 10' length
- 14 x plastic gripper hooks
